

Real Estate For Life!!

*It takes so little to do so much to
Support Family Values Groups.*

We make it easy for you to support Traditional Values by using funds a Real Estate agent has already earmarked for commission fees at no extra cost to you.

Under real estate law our company will receive a referral fee.

100% of the profits of that fee will be donated to Family organizations.

The funds will go directly supporting:

- Decency on TV
- Traditional Marriage
- Homeschoolers
- The Gospel of Life
- Vocations, etc.

Here is how it works: You or a friend

- decide to purchase a home or sell a home (or Commercial) anywhere in North America
- Call us first, before you call a Real Estate Company (i.e., an Independent, Century 21, Remax, etc.), and we will make the necessary arrangements with them to market your home
- One phone call to us and you will be supporting pro-family efforts in your community
- With that one call, we donate money already being spent on the services of a professional real estate broker on your behalf

Real Estate for Life, an arm of Residential Property Consultants-was formed for the explicit purpose of giving donations to support Pro-Family activities.

We never sell your name, ever!

The first people we call for Pro-Family real estate needs are Real Estate For Life. They have years of experience selecting quality, professional agents across America and supporting Traditional Values. Kathy Potts, President Jackson Right to Life 2008
